Company Overview

Founded in 2024 by Cody Adams, a former Air Force Sergeant, Adams Elite Services is a proud Service Disabled Veteran Owned Small Business (SDVOSB). Since its inception, Adams Elite has worked as a trusted consultant overseeing various government contracts across the U.S., partnering with industry leaders to deliver exceptional results in the facility maintenance, janitorial & ground services for GSA, DOD (Navy, Army, Air Force), DHA, & Data Centers.

Our commitment to veteran empowerment is at the core of our company's mission. We strongly believe in providing opportunities to veterans, leveraging their unique skills and leadership qualities to deliver high-quality, mission-driven services. With a leadership team that understands the value of discipline, integrity, and teamwork, Adams Elite is poised to continue its growth while empowering veterans to lead the way in shaping tomorrow's infrastructure.
